"...a solid education by qualified and caring teachers who always go beyond their call of duty to be helpful and available...principal is an amazingly hands-on, involved and caring leader...the personal attention that the children get...feeling of safety and security that parents have...all make this school really very special."

—a School Board Member

"...best kept secret in the DC area... class size...instruction is outstanding and culture of nurturing and learning is second to none..."

Learn Today and Lead Tomorrow

A NATIONAL SCHOOL
of
EXCELLENCE

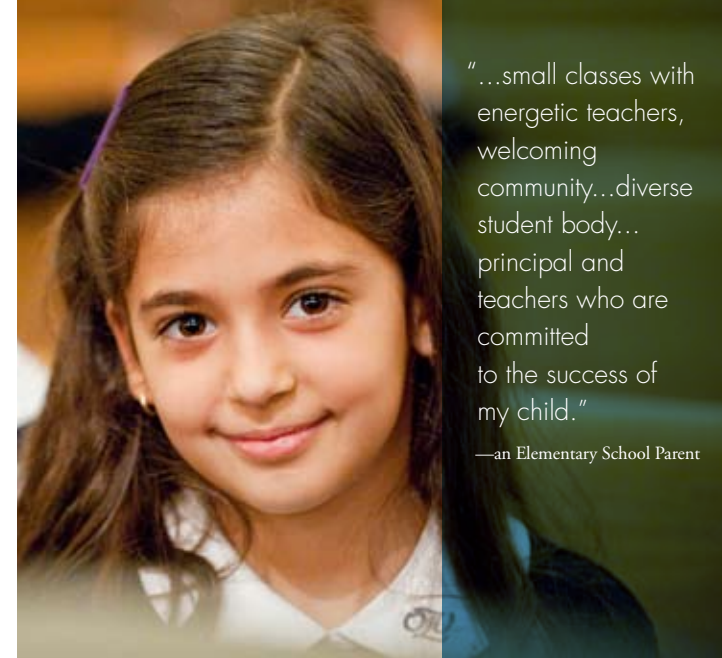

OUR LADY OF VICTORY

commits to a Catholic learning environment that promotes scholarly excellence and fosters moral and spiritual growth. OLV partners with parents to prepare students to learn today and lead tomorrow.

WE COMMIT TO

Living Our Faith

- + Faith-filled students nurtured in authentic Gospel principles and tradition and rooted in the life of our Parish.
- + Students who stand up for Catholic values, understand and share their beliefs, and take pride in doing the right thing
- + Students open to God's call to live an active faith, visible through interaction with one another, their families, their community.

"...small classes with energetic teachers, welcoming community...diverse student body... principal and teachers who are committed to the success of my child."

—an Elementary School Parent

WE COMMIT TO

Developing Young Scholars

- + Rigorous academic curriculum that prepares students for rewarding high school and college experiences.
- + Intimate environment with individual attention from faculty and staff.
- + Dedicated teachers – highly qualified, effective, and imaginative.
- + Classrooms well-equipped for students to achieve.

WE COMMIT TO

Enriching Our Community

- + Vibrant, diverse, international student body that cares for and contributes to the Palisades and Washington communities.
- + Place where students learn to care for themselves and one another
- + Home for community celebration through daily assembly, prayer, and worship
- + Formation of young leaders in activities beyond the classroom
