

Math Contract

By signing this contract, I promise that:

- I have practiced my multiplication and division facts and can complete these operations with speed and ease! I have used websites, flashcards, worksheets, or workbooks to practice!
- I can fluently add, subtract, multiply and divide decimals and fractions. I have used websites, flashcards, worksheets, or workbooks to practice!
- I have tried my best to find “real life” math situations to practice these skills
- I am eager and ready for the challenge of Middle School Math
